12 **ORDER OF DISMISSAL**  
13

14 On June 11, 2020, plaintiff filed the instant petition for a writ of habeas corpus. ECF No.  
15 1. That same day, the Court informed petitioner that this action was deficient because he had not  
16 submitted a petition on the proper form and had not paid the filing fee or submitted an *in forma*  
17 *pauperis* application. ECF Nos. 2, 3. Petitioner was instructed to, within twenty-eight days of the  
18 date of the order, file a completed petition on the proper form and either pay the filing fee or  
19 submit an *in forma pauperis* application. *Id.* Petitioner was provided copies of the Court's habeas  
20 petition form and *in forma pauperis* application form. *Id.* The deadline has passed, and petitioner  
21 has not filed a completed petition on the proper form. Petitioner also has neither paid the filing fee  
22 nor submitted an *in forma pauperis* application. The Court therefore DISMISSES this action  
23 without prejudice. Because this dismissal is without prejudice, petitioner may move to reopen the  
24 action. Any such motion must be accompanied by a completed petition on the proper form and  
either a complete *in forma pauperis* application or the filing fee.
